

Clinic Description:

Our clinic is designed to teach the fundamentals of the game and provide kids with an opportunity for competitive play. Each day campers take part in fundamental drill stations, play full court games, and take part in shooting competitions.

The clinic is not a Leicester Public Schools sponsored event. It is run by Michael Lynch, who has fourteen years of experience as a High School coach. He is assisted by coaches with high school and middle school coaching experience.

Our clinic is separated into three divisions based on skill level and grade level. [Players may be moved up or down if they wish]
Senior Division... [Grades 7, 8, 9, 10]
Junior Division... [Grades 4, 5, & 6]
Rookie Division... [Grades 2 & 3]

Camp Tuition:

Tuition for the clinic is set at \$140.00, however there is a sibling discount offered which makes the tuition \$100.00 for the second child, and \$80.00 each for any additional brother/sisters. We are very excited for another week of summer basketball, and hope to see everyone in July!

Important Notes & F.A.Q's:

Who are the coaches?

Coaches and Drill Leaders are former Leicester High School basketball players & current Leicester Middle School & High School coaches who bring both college-level playing & coaching experience.

Where do we register?

Registration forms can be mailed to the contact information below and checks for the camp should be made out to Leicester Basketball Clinic.

When does registration end?

We encourage campers to register ASAP to help with preparation, but we will accept registrations up until the first day of the camp. Campers should be aware that T-shirts may not be available for those campers who register on the first day.

Do we need to pack a lunch?

There is a designated snack and lunch time built into the schedule each day. There will be water provided all day and Gatorade sold each day as well. Campers will need to pack their own lunch each day though.

Find us Online & in Social Media!

We post drills, practice ideas, and skill development all off-season long!
